MEMORANDUM FOR: Project Director of Materiel

25X1 SUBJECT

: Overseas TDY [Redacted]

25X1

1. Following our discussion at the Staff Meeting this morning, I got in touch with [Redacted] and have asked him for the following space:

Depart Washington 8 April for London and on to Frankfurt, arriving there 9 April.

I have left his departure from Frankfurt and the balance of his ticket open, since I do not know the exact time he will be going beyond Frankfurt. His route is Frankfurt/Athens, Athens/Ankara, and Ankara/Adana.

On the theory that he might profit from a brief visit to Lakenheath during the construction phase of Base A, I have routed him to Washington from Adana, through London, so that he may stop over there if he so wishes.

2. I suggest that upon [Redacted] return from the Ranch this Friday, we sit down and firm up the entire trip, so that I can get orders and other details moving.
